Notes:

- 1) The 4<sup>th</sup> Period Lunch Block will be the same every day of the week.
- 2) On Wednesdays, to reduce exposures and still meet the Periods 1-7 requirement, students will go to and remain in their 4<sup>th</sup> Period classroom for the day. On Monday and Tuesday, they will receive practice, enrichment, and acceleration work to complete in these 30 minutes 1-7 slots. Halfway through the day, their 4<sup>th</sup> Period teacher will swap with a teacher who has different areas of expertise and certifications for direct support and assistance.
- 3) While Period XL is structured on a 1-7 bell schedule, individual Period XL classes may adjust the order of their classes to meet student needs, including providing class-wide interventions, provide Social-Emotional Learning curriculum, or engaging in Restorative Practices activities. The Acceleration / Intervention block at the end of the day, for example, can be swapped earlier if that Acceleration or Intervention needs to take place earlier.
- 4) On Wednesdays, attendance will be taken based on the 1-7 schedule. Therefore, a student who is supposed to be on campus Period 1-4 who misses the AM Period XL Block and checks in for 4<sup>th</sup> Period will be counted absent for Period 1-3.
